

Réseau canadien pour la prévention des mauvais traitements envers les aînés

~~

Canadian Network for the Prevention of Elder Abuse

Treasurers Report

October 31st 2011

This report reflects the revenues and expenses for the financial year 2010/2011. This year the only revenue to report is \$1.55 of interest. The Network incurred one expense of \$111.44 for the reimbursement of travel. The balance to October 31st, 2011 is \$15,415.03.

Once again the Network has continued to function largely due to the donation of generous in kind resources. These include:

- Annual fee for incorporation
- Registration and hosting of the website www.cnpea.ca
- Printing and production costs for CNPEA materials distributed at workshops and conferences,
- Long distance communication
- Transportation costs to distant meetings
- Postage for distributing materials across Canada,
- Financial administration by the Seniors Resource Centre of Newfoundland and Labrador (subsidized).

We are especially grateful to Susan Crichton and the Public Health Agency of Canada for making our teleconferences possible. We would like to specifically acknowledge that other wonderful but hidden in kind resource that the Board and supporters regularly provide through their time commitment to the Network's activities.

We would like to thank all those who have made financial and in kind donations this year. We estimate the value of in kind donations to be \$27,500 annually.

Respectfully submitted

Rosemary Lester Treasurer
