

ARE YOU INTERESTED IN PARTICIPATING IN RESEARCH?

Researchers at Ontario Tech University are conducting a study regarding Canadian police officers' experiences interacting with older (65+) victims and witnesses.

Participation consists of a telephone interview (approx. 20-40min).

Participants will receive a \$50 e-gift card.

You will not be asked to provide any identifying information; all data will remain anonymous.

If you are interested in participating or would like to learn more, please contact Dr. Lindsay Malloy at:
